Pike County Public Library Thanks Generous Sponsors for Supporting the 2025 Annual Community Service Award and Fundraising Dinner

Milford, PA (September 19, 2025)- We are deeply grateful to our **Diamond Sponsor, DP Luhrs True Value Hardware**, and our **Platinum Sponsor, JPD Forensic Accounting LLC**, for their unwavering commitment to supporting both this important community event and the mission of the Library. Their contributions were instrumental in helping us celebrate the spirit of service in Pike County while raising vital funds to sustain and expand library programs, services, and resources.

“The support of our sponsors makes all the difference,” said Nicole Heyer, Executive Director of the Pike County Public Library. “Thanks to their generosity, we can continue to provide educational opportunities, dynamic programs, and resources that enrich the lives of our community members every day.”

The Annual Community Service Award and Fundraising Dinner honors outstanding contributions to the Pike County community and serves as the Library’s largest fundraising event of the year. The proceeds directly benefit the Library’s efforts to offer free access to books, technology, and programming for people of all ages.

The Pike County Public Library Board of Directors, Executive Director, staff, and volunteers extend their sincere thanks once again to DP Luhrs True Value Hardware and JPD Forensic Accounting LLC for their dedication to the Library’s mission and to the greater Pike County community.

For more information about the Pike County Public Library, upcoming programs, or opportunities to support, please visit www.pcpl.org or contact the library directly.
